

HN/UC Construct Non-equivalence

HN-only, UC-only, and mixed trajectories coexist across evidence pools.

HN-only UC-only HN+UC mixed Neither

Enriched500 headline: HN-only 146/500 UC-only 50/500 HN+UC 241/500

Takeaway: HN-only, UC-only, and mixed cases coexist; HN and UC are related, not interchangeable.

HN = hard negative; UC = unproductive cycle.
